Last day on the call of PTI's headquarter, a protest rally was organised here in Quetta by PTI Baluchistan. The rally was headed by the provincial head of PTI, Syed Dost Mohammad Agha & senior vice-president Qasim Khan Suri. The protesters were carrying black flags & posters, condemning the US strikes on Bajur agency. The rally took off from PTI's office & had recorded protest before Quetta press club. Addressing the protesters Syed Dost Agha said that attack on the tribal area by US forces was unacceptable. He said that the government should take firm stance on this issue & all parties conference ought to be called in the current situation.

Senior vice-president Qasim Khan Suri said that Pakistan should send off US ambassador in protest. He further said that time was come for Pakistan to change its foreign policy.

PTI media coordinator Syed Jafar Shah also addressed the gathering & said that whether Pakistan had to fight its war of independence yet again?

ISF's convener Syed Samiullah said that attacks on our territory without any warning is a matter of great concern. He said that after all Pakistan is a nuclear state & its territorial integrity ought to be respected.
