Imran nursing his broken heart

Former Pakistani Cricketer and politician Imran Khan has caught a Hollywood butterfly. He was seen with Goldie Hawn in India two months ago as a foreign magazine says they were posing as a couple.

Goldie Hawn has recently ended her 21-year relationship with Kurt Russell, famous Hollywood star, and is now reportedly interested in the cricketing legend. In the wake of the split, a foreign magazine said 60-year-old Goldie fled to India where she was spotted arm in arm with Imran at a party. They both acted like a couple with one witness 'amazed' by their displays of affection, it revealed.

Goldie has been married and divorced twice. She once dumped a French boyfriend by reverse charge phone call when she fell for Kurt, her co-star in the 1984 film "swing Shift". News of the friendship enraged Kurt, who told friends Goldie is 'obsessed' with Imran and mysteriously 'changed' after meeting the politician two months ago. Imran Khan split from his wife Jemima earlier this year and while she soon began, seeing actor Huge Grant it was believed Imran was nursing his broken heart. "There is no truth to those stories whatsoever," a spokesman says. However, Goldie's former husband Bill Hudson-father of her son Oliver and actress daughter Kate-says its true. Bill says he had discussed Goldie and Imran with a family member and believes the friendship has turned into romance. "There was something more than just friendship," Bill said.

Asked whether Goldie was interested in men of Imran's type, Bill said: "She is very much eclectic. This bond has probably tied her to the east and Buddhism. And maybe for the first time in her life, Goldie is not the dominant one."

Bill said Kurt humiliated Goldie, when the actor was caught visiting a massage parlour where sex was offered. Bill also believes Kurt's intimate scenes with Courtney Cox in the film 3000 miles to Grace Land in 2001 caused Goldie further distress. According to Kurt, 51-year-old Imran was pursuing Goldie. "The ink has barely dried on his divorce papers and there he is, flirting with my partner", Kurt told a friend. online
