Suicide attacks a reaction to ill-conceived policies of rulers: Imran Khan

SWABI: Pakistan Tehreek-e-Insaf Chief Imran Khan Sunday said suicide attacks taking place in the country are reaction to ill conceived policies of the rulers.

He said this while talking to party workers and exclusive talks with Online on the occasion of his visit to under construction NIML technical college here and Bin Hafiz Jee Sunday.

He held statements from US presidential candidates with respect to attacks on holiest places of Makkah and Madina, threats from US deputy secretary of state for military strikes by US forces inside Pakistan territory, passage of bill by US congress for tying its assistance to Pakistan with campaign against terrorists are outcome of failed and directionless policies of government.

US should keep it in mind if it dared to attack holiest places of Muslims, it will stand effaced on the map of world, he warned. Over one billion Muslims will become suicide bombers across the world in the event of US attack, he added.

President Musharraf got killed innocent citizens in Waziristan, Lal Masjid and Jamia Hafsa in the name of terrorism to appease US, he alleged. Musharraf has become puppet in the hands of his US masters., he added.

He went on to say US had signed civil nuclear deal with India and on the other hands it is threatening Pakistan. This bears ample evidence of its anti Islam posture, he remarked.

All the component parties of APDM will launch country wide movement against general Musharraf if he tries to get him re-elect from the present assemblies. A public meeting is going to be held in Liaquat Bagh on August 14 in this respect, he told. We will move supreme court if president Musharraf does so, he added.

Both Benazir and Musharraf are trying to keep their recently held meeting in Abu Dhabi secret, he said. It clearly indicates both are not sincere with nation and country. They are striking deal for the sake of grabbing power and they are not well wisher of nation, he added.

Keeping their meeting secret means there is some thing secret in the deal which is against the interest of people, he maintained. It is unbecoming of Benazir who talks of democracy to reach an agreement with a military dictator. She should join hands with opposition to wage struggle against general Musharraf other wise she will lose support of her party workers, he cautioned.

Imran informed he had provided credible evidence against MQM chief
