CM lauded for accelerating development process -

Taliban inclusion necessary for success of Pak-Afghan Jirga: Imran Khan

ISLAMABAD, Aug 9 (APP):Inclusion of all Afghan factions including Taliban is necessary for the success of ongoing Pak-Afghan Jirga and durable peace in the region.

This was stated by cricketer turned politician and Chairman Pakistan Tehrik-i-Insaf, Imran Khan in an interview with APP Thursday.

“Not use of force but dialogue is the only way to resolve the issue of Afghanistan and also Waziristan”, he said.

He criticized the United States for its move to resolve Iraq issue by force. He suggested that it should be resolved through dialogue.

He said that Pakistan should end its alliance with the US in the war against terrorism.

Talking about the political situation of the country, Imran Khan expressed hoped that with the restoration of Chief Justice Iftikhar Muhammad Chaudhry by the Apex Court, free and fair elections would be held in the country.
