Al Qaida should take note of this strategy (I am saying this because we are fed up with the terror of MQM - and if Al Qaida has any capacity then MQM should be a soft target for them). 2. London should take note of this as well (you can be with them (MQM MAFIA) or with us (ordinary people of pakistan). <p>p.s. PTI should seriously start its activity in Karachi, there is a mass potential. We need a start with a big bang so youngsters take notice. Like a 7 day seminar to discuss what happened in Karachi and what is going to happen, the opportunities, PTI philosophy etc. A visit from Imran Khan and some celebrities (which are popular with Karachians and also have a point against MQM, an example would be AMIR KHAN of UK (he will bring British coverage and pakistani coverage) as I am sure all young Pakistani origin teenagers would have heard of Imran Khan.</p> <p>What do you guys think about these points? Al Qaida strategy, London backing, MQM monopoly and PTI in Karachi. Please discuss!</p>

Although a staunch opponent of MQM, I will never support such idea and in fact no one will in Pakistan. Being a Muslim and Pakistani we must look towards Rasool Allah and his seerah. It's a game of Politics and we must detach MQM from Altafa Dakoo. MQM is a political force and it must be recognize and its even more important to bring them into main stream politics. We have to dilute their power first and then find the people who are part of MQM but disagree with their terrorist wing. Violence in any shape against civilians is discouraged and must be avoided. Two wrong never make one good. We must stick to our ideology and non-violent struggle against Karachi Mafia. Unless people of Karachi don't stand against Mafia no outsider can't do anything. It all about winning hearts and minds.

looking at the track record of AL-QEIDA,they are way behind MQM. MQM is fully grown facist organization in last 20years.They are in govt & they have full control over renews businesses of "BHATTAH KHORI,KIDDNAPING,TORTURE INCLUDING SKIN PEELING & they also own bags making industry cz they need lots of bags to dump the bodies. AL-qieda is no where close to civilized & educated worker's of MQM.

I am not saying that Al Qaeda should strike MQM, what I was trying to say was that what would happen if Al Qaeda strikes MQM to gain sympathy among Karachians?

what do you guys see? if that happens would Al Qaeda get more sympathy from Karachians or would people just ignore it? You should also keep in mind that for now London, Washington, New Delhi and who knows perhaps Tel Aviv are the main backers of MQM. Would you be surprised if there are twin attacks, one on nine zero and one on itaf?

Imran Khan NAZI is a racist..

Under his captain ship players from Karachi always been victimized.

He declared the inning when GREAT legend of Pakistan cricket Javed Miandad was batting on 280 not out. He declared Miandad injured just b4 the world cup 1992. This is the same Miandad who scored 5 times more than fifty runs in the world cup 92 and notably Pakistan won only those five matches. But did you ever hear from Imran or from Punjabi media that Miandad was the main hero for 92 world cup. NO NO NO , Imran considered his mother was behind the screen, and she was the real hero. Another player from Malir Karachi, Saeed Anwar never took perm place in the team under his captainship. Saeed scored three consecutive centuries and Imran pulled out him from next series and justifying by saying saeed anwar does not have temperament. As he retried he became perm member of the team at age of 25.

Another victim was Qasim Omar. He sent Shoaib Mohammad (who has the temperament to stay on the wicket whole day) at number 9 for batting in one day match, opener at number 9. Gulam Ali, Moin-ul_Atiq, Asif Mutaba, J Alvai, Atiq-ur-rehman etc all were victimized by racist Imran. All victims were from Karachi.

We all remember in 1981 series at National Stadium Karachi when Imran kicked one audience like a crazy donkey. This poor man came to take autograph from his team player he was carrying green Pakistan color flag, as soon he came to Imran he got donkey autograph. I mean kick like a donkey. Just the next match in Lahore, one PUNJABI spectator came to Imran for autograph and Imran gave him autograph with nice smile. Every thing is recorded in the PTV cameras. He introduced match fixing in the cricket. He took money from Indian gambler in 1979 and stayed with team without playing any single match. But he was found at beaches of Bombay (Mumabi) with different call girls. He did not take part in election because he was scared by results. We hate Imran Khan Nazi, he is a Nazi member.
